CHABAD PARTNERS CONFERENCE
Brooklyn Marriott Hotel
1 Kislev, 5775
November 23, 2014
For more than half a century, the Shluchim of the Lubavitcher Rebbe ㅜㅜㅜ have worked passionately to create and enrich Jewish life for individuals and communities worldwide.

For more than half a century, Chabad-Lubavitch Shluchim have partnered with lay leaders to turn the vision of one individual into the vibrant reality of millions.

Today, these partnerships have given rise to revolutionary growth in Jewish life.

Blessed with a mutual fervor for Jewish life, Chabad Shluchim and community lay leaders score achievements that not only endure, but grow, even in difficult economic times.

Honor the Vision.
Celebrate the Partnership.
Explore the Possibilities.
With pleasure we invite you to the
Chabad Partners Conference

and the International Conference of Shluchim
